An every-night adventure of Burgess Radio Batteries

ONE of the reasons why you should always buy Burgess Radio Batteries is that the batteries used by air-mail pilots—bush-pilots—explorers—and the majority of recognized radio engineers—are evolved in the Burgess Laboratories and manufactured in the Burgess factory.

These batteries are identical with the batteries sold by your dealer and thousands of other good dealers everywhere.

Old Dutch protects the home with

Healthful Cleanliness

Old Dutch safeguards your family with Healthful Cleanliness. Healthful Cleanliness demands that the wash stand and tub be cleansed after each using. The impurities from washing the hands, brushing the teeth and in the bath, are tenacious and readily cling to the wash stand and tub, and unless removed, become a menace to health. Ordinary cleaning or rinsing is not effective.

Old Dutch is your protection as it quickly, thoroughly and effectively removes all impurities; keeps the bathroom sparkling with Healthful Cleanliness.

Old Dutch efficiency is due to its individual and distinctive character. Its flat shaped particles are tiny erasers that erase dirt without scratching the surfaces. This is a strong safeguard, because scratches are catch-alls for impurities. Avoid hard gritty cleaners.

Use Old Dutch and enjoy the complete satisfaction of Healthful Cleanliness throughout your home. Economical—goes further—lasts longer.

There is nothing else like it
